

Head of School's Welcome

Dear Parents and Carers

Welcome to Steeton Primary School, a school where we know and value every child and family.

We are committed to providing an inspirational environment, through a culture of success and achievement, in which individuals can flourish as confident, happy learners.

We are proud of the way that we meet the needs of all pupils. Not just their educational needs, but the nurturing environment that we provide for all children that helps them to grow in confidence and independence.

At Steeton Primary we offer a broad and creative curriculum that gives children the opportunity to learn about the world around them and how to be a responsible citizen that contributes to the wider community. We create memories that will last a lifetime.

If you would like to see Steeton Primary for yourself, please do contact the office where we can arrange for you to have a tour of the school.
