

15th January 2019

Dear Parents,

We are currently preparing our Year 6 children for SATs tests. Previously school has been in a position to provide each pupil with revision booklets and practice papers from Rising Stars Achieve range, free of charge.

However, unfortunately, due to budget cuts, we are unable to provide these without charge.

As a compromise, we are able to provide each pupil with 3 Revision books free (Reading, Maths and Grammar) and 3 Question Workbooks at a discounted total price of £7.50

If you would like to purchase these books, which have proved in the past to be highly beneficial in improving children's performance and scores in the test, please would you fill in the order form below and return it to school with the enclosed money.

Orders to be returned to school by Friday 25th January.

Yours sincerely,

Mrs. S. Wheeler
Key Stage 2 Co-ordinator

STEETON PRIMARY SCHOOL

I would like to purchase 3 Question Workbooks for my child.

Child's name.....in class.....and I enclose £7.50 payment.
