Forest School After School Club

The Steeton Primary Forest School is a new and very exciting addition to our creative curriculum.

A section of the school, once known as the Wild Area, behind the Reception and Year 5/6 classrooms, has been transformed into a tremendous outdoor learning space.

The old shelter has been turned into a fully function classroom with power, lights, and heating. The outside area is haven of grassed areas, fruit trees, wooded areas and interlinking paths.

There is enough space for children to explore within the safe knowledge that the area is fully fenced and secure.

Mrs Kennedy who is a qualified Forest School Practitioner manages the Forest School.

Each class has had an opportunity to use the Forest School already but now we are offering the opportunity to take part in a **5-week After School Forest School programme.**

These will be taking place 1/2 Termly with 3 programmes running until July and continuing from September 19. Numbers on each programme will be limited to 16 children.

The club will run on a Tuesday after school 3:30-5:00pm. Starting on the 5th March 2019.

If you are interested in your child/children taking part in the club, **please fill in the attached reply slip and return to school by Friday 15th February 2019.**

Due to the limits on numbers it may be that your child will not be allocated a place until the school Year 2019/20.

As this is a long-term venture, we will try to accommodate all interested children as soon as possible on a rolling programme.

All children will still have at least termly Forest School days throughout the school year.

If you require any more information about the club or Forest Schools in general please do not hesitate to contact Mrs Kennedy at school.

**Mr K. Wheeler
Head of School**

I would like my child/ children to take part in the Forest School After School Club and understand this may be not until the next school year.
