

STEETON PRIMARY SCHOOL

Dear Parents

Next Tuesday, 19th March, there will be a short information meeting about the KS1 end of year statutory assessments (SATs) for Year 2 children. This is an opportunity to tell you all about the tests, why we do them, what they look like and how you can support your children at home. It will also give you chance to ask any questions you may have regarding the SATs. This meeting will take place in Mr Daft's classroom after school from 3:45pm for approximately 30 minutes. Please come along if you can make it.

Many thanks

J Daft.
