

Soon we are going to be making a story box based on our class story 'Lost and Found'. In order to do this all of the children will need a shoe box/ nice box. They will also need materials to make a boat, so please could you save any small tubs etc.... Other materials that may be useful would be tin foil, shiny material, kitchen roll tubes, polystyrene and cotton wool. If you have any of these items at home and would be happy to donate them to school, please could you send them in as soon as possible.
