## Newsletter 4

Dear Parents and Carers,

It was lovely to have all our children and staff back in Thursday and today with the reopening of the Yr1/2 Bubble. Let us hope this continues for all year groups.

### Parking at Drop Off and Pick Up

1. Please can I remind all parents to park with consideration for our neighbours around the school and the surrounding roads and not to block off side roads, drives or car parks.
2. A reminder that for the safety of all our families we ask you to park up and walk to collect your children from their gate. We will not let children out of school to go to cars parked on the Yellow zigzags.

Our school Police Support Officer has told me she will be making regular visits to ensure this is taking place.

### Wet Weather Clothing

With the weather now unfortunately changing, please can you ensure your child has suitable waterproof coats and shoes in wet weather. We would like to get the children to play out in the fresh air as much as we can especially in the current situation.

### Absence and Attendance

Attendance is around 95% which is good considering the circumstances we are in. Also, thank you for ensuring your child is on time as late numbers are very small.

### Magic Mondays

Some lovely projects have been produced or in the process in all our classes. The children and staff are really enjoying this start to the week. This is something we are continuing to develop as the school year goes on.

### School Ping Important Changes

Please see the letter sent out on Ping for the necessary updates you need to make to Schoolping. Unless you do this, your School Ping will not work on your phones after 26th October. This will cause issues if we need to contact you over half-term for important issues such as bubble closures.
