## Dear Parents and Carers

We had our first wet lunchtime, yesterday, which shows how lucky we have been with the weather since March 8<sup>th</sup>. Let us hope we do not have any more before we finish in July. It has been really interesting seeing the children inventing games over the last few months whilst having more space to do so due to the staggered lunches.

### Attendance

Attendance since the 8<sup>th</sup> March remains at 95.0%, which has dipped over the last week and is now below National Average. Let us make sure this picks up again over the next two weeks.

### **IMPORTANT: Car Parking and Safeguarding**

**Yesterday at home time Market Street was very busy and some cars were causing a hazzard and safeguarding issue by the way they were parked. Both blocking the pavement which resulted in children, adults and people pushing pushchairs having to walk in the road.**

**Also making it very difficult for other cars to manouevere past.**

We are very aware of the limited car parking in the immediate vicinity of the school as they are residential streets. I know that 99% of our parents do consider our neighbours when parking and driving in Market Street and School Street and also the safety of the whole school community. I thank you for future cooperation in this matter.

Just a reminder that the car park by the main school gate is for staff only. This is coned off in the afternoon. Please do not stand within this coned off area or allow children to play /enter the carpark.

### **.Suitable Clothing/Jewellery - Reminder**

Thank you for ensuring children are still being sent to school with a coat as per last week's request.

We are seeing an increase in Jewellery and nail varnish appearing on children in school, which are not part of our uniform policy. Please can I request you do not let your child come to school wearing these.

In addition, some children appear to be coming to school in their best clothes on Magic Mondays. Just a reminder we are asking them to wear clothes you don't mind getting paint, glue etc. on as opposed to it being a 'non-uniform day'.

### **School Day Consultation**

Thank you to all who have responded to the ping I sent out last week. If you have not responded and wish to, you have until next Friday.

## Covid Questionnaire

I have attached with this newsletter the results of our Covid Questionnaire. Thank you to all who participated.
