Dear Parents and Carers

Another busy week in school comes to an end! This half term seems to be flying by. Not much information to give you this week but as soon as we have finalised the provisional planning for events in the last half term I'll share them with you.

Attendance

Attendance since the 8th March is 96.65%, which is above National Average but a slight dip on last week.

Eid

I would like to wish all our families who are celebrating Eid next week, Eid Mubarak, and enjoy this family time. Just a reminder that School **is open all week** for all children not observing their Religious entitlement.

Suitable Clothing

We strive to get children playing outside at Lunch and Play times even when there may be rain showers.

As the forecast for the next two weeks is sun and showers, please could you ensure your child brings a coat to school to enable them to get the fresh air and play they need.

Also, we have been sympathetic as a school to the issues Covid has had on ensuring correct school uniform (Closure of shops, impact on incomes etc.). As a result, we have been a little more relaxed in ensuring our Uniform Policy is implemented and will continue to be until we are back to 'normal', in September. However, we have had a few issues around footwear. For health and safety reasons, please could you ensure the children wear flat shoes (trainers as a last resort) to school and not shoes or boots with fashion heels. We want the children to play out safely and have footwear suitable for any extra fitness or exercise sessions we build into the week. Thank you in anticipation of your cooperation in this.

First Aid Wrist Bands (Reminder)

From Monday, we will be reinstating wristbands if your child has had first aid treatment. If you have any concerns if your child comes home with a wristband, please do not hesitate to contact school.

Sports

Will let you know next week when after school sports will commence.

Car Parking and Safeguarding

Just a reminder that the car park by the main school gate is for staff only. This is coned off in the afternoon. Please do not stand within this coned off area or allow children to play /enter the carpark. We have had one incident this week that could have resulted in an injury to a child and adults.

We are very aware of the limited car parking in the immediate vicinity of the school as they are residential streets. I know that 99% of our parents do consider our neighbours when parking and driving in Market Street and School Street and also the safety of the whole school community. I thank you for future cooperation in this matter.

Inclusion and Welfare Officer

Mrs Kennedy is available everyday if you need any advice or support on areas such as attendance, behaviour, benefits, Pupil Premium Support, Agency Support, Parental Support. Please do not hesitate to contact her either by phoning or email or a quick chat through the gate (at a safe distance!) at drop off/pick up time.
