

PE and Sports Premium Funding at Steeton Primary School: 2021/2022

What is the Sports Premium?

The government provides funding jointly provided by the Departments for Education, Health and Culture, Media and Sport, to see money going directly to primary schools to spend on improving the quality of sport and PE for all their children. This is called PE and sport premium funding

Steeton Primary School received £18460 of Sports Premium funding for the academic year 2021/2022. The money can only be spent on sport and PE provision in schools. The money will be used so that all children benefit regardless of their sporting ability.

Purpose of the funding

All schools have to spend the sport funding on improving their provision of PE and sport, but there is freedom to choose how we do it. At Steeton Primary School we recognise the contribution of PE to the health and well-being of the children. In addition, we believe that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

Effect of PE and Sports Funding

As a result of this funding we have increased the number of opportunities available for our children over time. This includes opportunities to participate in PE and sport at lunchtimes and outside the school day. We have also developed our staff's ability to teach high quality PE lessons. We have encouraged our children to be active, happy and competitive within a supportive framework which develops and celebrates their sporting talents while giving opportunities to children of all abilities. We do not just always pick the best players. Sometimes we pick children who just want to play with their friends or children for whom this might lift confidence or enjoyment of school. Sometimes we pick children whose work/attitude/behaviour in school deserves recognition and reward. Sometimes we develop more elite teams in order to compete with elites from other schools

We have established a tradition of friendly, competitive participation in a variety of sports. We are a school that values sport and PE because: Children enjoy it because it's fun to do. It helps them to develop healthy lifestyles. If taught well it develops their social skills, their humanity and empathy and it teaches them how to persevere and be resilient.

Sporting Objectives 2020/21	Actions	Expected Impact	Time Scale	Resources £18460
<p>Continue to raise profile of sport and PE across school.</p> <p>Consistent, progressive approach to PE teaching across all school phases</p> <p>In class curriculum support</p>	<ul style="list-style-type: none"> Suitably Qualified HLTA to continue to be Sport and PE Coordinator (supported where necessary by HOS and AHT). Planning Preparation and Assessment (PPA) time for KS1 & KS2 teachers in school. HLTA Teaches 2 hours of PE per Key Stage every week within the PPA time. All teachers to follow Scheme of Work in liaison with sports coordinator 	<ul style="list-style-type: none"> Monitoring by SLT of Curriculum PE demonstrates a high quality, consistent, age related , progressive teaching across all Key Stages in School. More consistent quality within PE sessions due to following of scheme of work Up keep and auditing of equipment to ensure provision is enabled. Teachers happy with resources within Scheme of Work in regards to planning and assessment tools for PE lessons they deliver themselves, to maintain a consistent quality approach to PE Delivery. 	Ongoing
