Dear Parents and Carers

Another hard-working week over! It has been lovely to see Forest School sessions running again, children visiting the local area and visitors coming in to school. We have a lot more of these activities running through school over the next few weeks with some children venturing further afield. It really does feel an exciting place to be for children and staff.

Coram Life Caravan

Whilst the caravan will not be here next week, we will be having a visit from their staff, who will be delivering lessons and workshops to all our children.

This is to supplement our PSHE and Relationships Curriculum.

I sent a separate Ping to Yr5/6 Parents last week regarding the theme of their Lesson. We also have sent reminders to parents who have not read it. If you are a Year 5/6 parent and have not seen the Ping, another reminder will go out today.

Dogs Trust

www.learnwithdogstrust.org.uk/workshops/

Please ask your child about the Dogs Trust Session they had this week. The sessions were really informative and enjoyable. Rachel, the teacher, was extremely complimentary about school, the behaviour of the children and the intelligent questions they asked.

Parent Consultation: Before and After School Provision:

Thank you to all who participated. Consultation has closed today. Once the information has been collated and discussed, we will let you know what further developments will be.

Steeeton Superstars This Week

Well done to all these children.

Mask wearing in school

We are awaiting confirmation from the LA that as proposed by the Government, this will no longer be required in shared areas after next week.

Coffee Morning

Unfortunately, we will have to postpone these beginning at the moment. Apologies for any inconvenience.

In Term Holiday Requests

As stated on the Bradford Schools Online website "Parents should not take their children out of school without first seeking the schools permission. Families do not have a right to take their children out of school for the purposes of family holidays or trips abroad. Parents should always speak to the school prior to any absence to discuss any information that they feel should be taken into consideration by the Headteacher in deciding whether to authorise the absence."

The DfE guidance instructs Headteachers NOT to authorise leave of absence in term time. Permission for this type of absence should only be granted in the most exceptional circumstance.

If you are requesting to take your child out of school during term time, please contact Mrs Simpson at the school Office or email the school office and you will be sent a Request Form that needs returning to school.

Café parking

I know some parents do park in the local café carpark when dropping children of in the morning. I have spoken to Debbie the owner, this week. She said whilst she does not mind this as long as there is space she has asked me to point out a few things. Please use the top of the car park to park when dropping off children. Please only

use the left-hand side (going up) to park and not double park on the right. She has had customers who drive lorries and vans being unable to access the car park due to double parking and blocking of routes. Also, please do not block the path way at the back of the building as this is needed for vehicle access.

Debbie is aware of the limited parking in Steeton and wants to help but will have to reconsider use if inconsiderate parking continues.

End of School Day

It is becoming smoother and quicker with the majority of parents waiting patiently for children to be handed over.

With the wet weather and the darker evenings, it is more important that we all play a part in ensuring children are handed over safely.

Inclusion and Welfare Officer

Mrs Kennedy is available everyday if you need any advice or support on areas such as attendance, behaviour, benefits, Pupil Premium Support, Agency Support, Parental Support. Please do not hesitate to contact her either by phoning or email or a quick chat at drop off/pick up time.

Car Parking in locality

Please continue to park and drive carefully and legally around school and the surrounding roads for the safety of the whole school community and local residents. Just a reminder that the car park by the main school gate is for staff only. This is coned off in the afternoon. Please do not stand within this coned off area or allow children to play/enter the carpark.

I thank you for future cooperation in this matter.

People who suffer from nut allergies can develop a severe, potentially life-threatening allergic reaction. We have a number of children to who this applies.

If someone has a nut allergy it is not just eating nuts that can cause a severe reaction, just being touched on the skin or smelling the breath of someone who has had nuts or a product containing nuts can trigger anaphylactic shock (which can cause breathing and swallowing difficulties).

We cannot have nuts in school in any form. So please can we ask that you have no nut products in the lunch boxes.

For example

- Peanut butter sandwiches
- Chocolate spreads
- Some cereal bars
- Some granola bars
- Cakes that contain nuts
- Biscuits / Cookies that contain nuts
- Peanut butter cakes
- Food with Satay Sauces.

This list is not exhaustive, so please check the packaging of products closely.

I know if this was your child, you would expect that we all help, especially as it is a life-threatening condition.

If you have any questions, please do not hesitate to speak to a member of staff.

I hope everyone has a good, safe weekend!

Mr K. Wheeler
