## WELCOME TO LKS2 2022/23

**Miss Lafbery**

LKS2 Leader.  
Rowan Class Teacher

**Miss Akram**

Fir Class Teacher

**Mrs Webber**

Elder Class Teacher

**Mrs Jackson**

Teaching Assistant  
Cover Supervisor

**Mrs Roberts**

Teaching Assistant

**Mrs Goodall**

Teaching Assistant

### What happens at the start and end of the school day?

All of the children in Year 3 and 4 come into school via the park gate between 8:30am and 8:45am. They are greeted by members of staff. Children line up with their class mates in 3 different lines depending on the class they are in. At 8:45am class teachers meet the children outside and bring the children into their building. Once inside children go into their cloakroom and hang up their coats and bags. Children then go into their classroom and are registered.

At the end of the school day children collect their coats and bags from the cloakroom and line up outside. Parent and carers and after school carers meet the children at the park gate at 3pm and children are let out by a member of staff once they have seen the person collecting the child.

### What does my child need to bring each day to school?

School provides all stationary and books and everything else your child needs to learn with in school.

Your child needs to come in school uniform most days including Magic Mondays. Your child should come in their PE kit on the days outlined in the PE timetable that is sent to you each term.

### What will this year be like?

We follow the National Curriculum and your child will study many different subjects throughout the week/year. Including: maths, english, science, art and design, design technology, computing, history, geography, RE, PSHE, PE, music and Year 4 children will have swimming. We link history, geography, art and design and design technology through topic based work in afternoons and the other subjects are taught as stand alone subjects. 'Science Week' is always the first week of each half term.

As well as studying subjects we follow our FOREST principles to guide children to be the best learner they can be.

**F** - Friendship

**O** - Opportunity

**R** - Resilience

**E** - Empathy

**S** - Self-awareness

**T** - Teamwork

We also focus on these FOREST principles in our termly days in our wonderful Forest School with Mrs Kennedy.

Morning playtime is 10:30-10:50am and all of KS2 play out together.

Lunchtime for LKS2 children is 12-12:55pm.

### Will my child receive homework?

All children are expected to read at home everyday. Class teachers will also give children homework on a Friday which will need to be handed in on the following Friday. This may be Maths, Literacy or a piece of work that is linked to what they are learning in class.

### How do I speak to my child's class teacher?

Class teachers and the LKS2 Leader will send all communication through school Ping. Such as; PE timetables, news about school trips and photos and positive information about how your child is getting on from time to time.

If you wish to speak to your child's class teacher you can ask to speak with them at the start or end of the school day, phone the school office and ask for them to call you back at the end of the school day or send them an email directly.

### Teacher's email addresses.

kelly.lafbery@steeton.bradford.sch.uk

mehnaz.akram@steeton.bradford.sch.uk

mel.webber@steeton.bradford.sch.uk

We are looking forward to welcoming your child back to school in September, if you have any other questions, please get in touch.

The school twitter page and website is updated regularly, please follow us!
