Welcome back to a brand-new year and a very warm Steeton welcome to our new parents. It has been great to see EYFS children settling into school life so well this week. Miss Bingham and the team are very much looking forward to the year ahead.

We have also welcomed new staff into the team this week:

Miss Pickles in Willow class, Mrs Webber in Elder class and Mrs Birks in Silver Birch.

Mr Daft has moved to Oak class and Mrs Foulds has moved to Saplings class.

Miss Wilson is no longer teaching a class as she has extended her role as SENDCO. She will be with us Monday, Tuesday and Wednesday morning and then she will be working with Mr Wheeler at Myrtle Park as their SENDCO.

Mrs Birtwistle is Deputy Headteacher and is still teaching children across the week in a range of classes.

With the weather remaining unpredictable, please ensure that your child has a coat in school – we aim to play outside wherever possible. Also, please make sure that all items are clearly labelled with their name to enable us to return lost property easily.

Mrs Simpson has sent flu immunisation information via Ping and it is also on the website. If you wish to give consent for your child to be vaccinated, please respond as soon as possible.

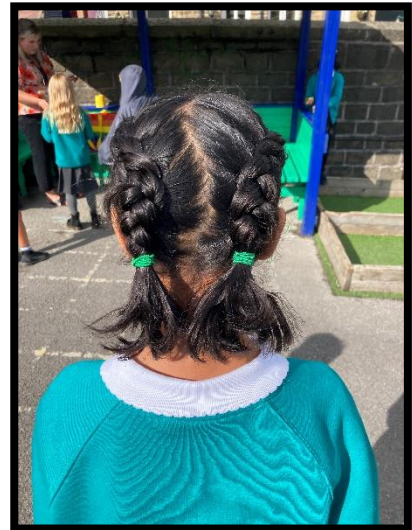

If your child is in Year6, you will have received information about applying for secondary schools. Please note that we cannot send paper applications – it must be completed online.

All children need to wear school uniform on Monday for Magic Monday.

Investigating floating and sinking, learning about our body and classifying its parts in science, ukulele introductions, rugby skills, sorting in maths, phonics and reading...just a sample of our first few days back at school.

All children have looked super-smart this week. A reminder that our school colour is jade green, and that all hair accessories should be green or black. Head scarves should be plain black. Plain black trainers are acceptable footwear, and will be on our official uniform list next year.

The end of a super first week was a sad one. We gathered together this morning to mark the death of The Queen, reflecting upon her 70 years on the throne. We ended by watching a clip of her sharing a marmalade sandwich with Paddington Bear, which made us smile. We echo Paddington's words, **"Thank you, Ma'am, for everything."**

Enjoy the weekend.

Remember to inform us of any changes to contact details or medical information

Please do not send any food product into school that may contain nuts. We have children with life-threatening allergies. This includes 'chocolate' spreads on sandwiches.

Please ensure that you have the latest version in order to receive updates and messages from staff at school. If you are having trouble or are unsure of how to manage SchoolPing, please speak to Mrs Simpson in the school office.
