

Steeton Primary School

UKS2

Autumn 1 Newsletter 2022

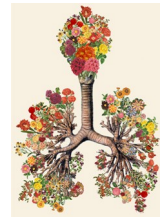

Incredible inventions

Our topic for this half term will be "Incredible Inventions".

Children will learn about inventors in the domain of medicine and how these inventions have developed the modern world of medicine and our the lives of people today. Children will use their learning to answer our Big Question of 'Who was Marie Curie?'.

Magic Monday

Pupils will be taught to draw and shade with a variety of drawing tools. Children will use inspiration from Trevis Bede to complete anatomical drawings. Children will create colour wheels to identify complementary and analogous colours. Children will learn to accurately draw flowers and petals and use tea-staining technique to add texture to their final piece.

English / Reading

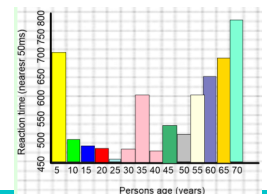

This half term in English we will look at Fairy tales including Hansel and Gretel and Little Red Riding Hood. Children will develop their range of vocabulary to describe place, people, character emotion and panic in narrative writing. Children will learn to present their work to show creativity including the use of vocabulary mood boards. We have brand new, modern books in each class to promote reading for pleasure and we will have an 'Author in the Spotlight' each half term where we will share authors that children might not be familiar with. We will no longer be using the Oxford Owl books.

Science

In our 'enquiry' science week children will learn about the five different types of enquiry: fair tests, observing over time, pattern seeking, identifying and classifying and research.

When looking at 'observing over time' children will answer the question 'How does a bird's embryo change over time?'. Children will seek patterns on which continents the largest world rivers are. We will identify the phases of the moon and classify sweets into classification key. We will use secondary sources to research Charles Darwin and carry out a fair test to find a correlation between age and reaction time.

Pupil Offer / Dates for Your Diary

- 22.9.22 - School Photo Day
- 27.9.22 Ash school trip to Pizza Express Skipton
- 11.10.22 Silver Birch school trip to Pizza Express Skipton
- 1.11.22 Holly school trip to Pizza Express Skipton
- 29.9.22 Silver birch Forest School day
- 6.10.22 Ash Forest School Day
- 13.10.22 Holly Forest School Day
- 21.10.22 Parents welcome to look at children's books 2pm
