Autumn 2 Newsletter 2022

Bradford Brasilia Brussels

Our topic for this half term will be Bradford Brasilia and Brussels. This Geography based topic will allow children to locate countries, cities and towns on a map. It will also introduce children to key geographical terminology such as Longitude and Latitude. Children will be able to determine what a physical feature is and what a human feature is. Furthermore they will be able to recall the differences and similarities between Human and Physical Geography. This topic will also allow children to experience Bradford Library and complete some primary research when they are there.

Magic Monday

This half term we will be studying the artist Beatriz Milhaze. She lives in Brazil so it links in nicely with our topic. We will be recreating a piece of her art work. Over the 6 weeks, we will be experts at drawing circles, creating patterns and have a good understanding of Primary and Secondary colours. We will be using a range of mediums including oil pastels, paints and felt tips. When we have finished our work we will evaluate it, referring back to the key vocabulary we have used and make reference to the artists work.

English / Reading

Our Reading for Pleasure sessions continue on a daily basis. Children will be reading a variety of texts from a variety of genres.

In English we are continuing our journey with Writing for Pleasure we will be using a range of stimuli to engage children in their writing.

Pupils have taken pride in their English work which is clear to see in their books. Pupils are enjoying creating fancy titles for their Exciting Writing.

Science

Light

Pupils will be taught to:

- recognise that they need light in order to see things and that dark is the absence of light
- notice that light is reflected from surfaces
- recognise that light from the sun can be dangerous and that there are ways to protect their eyes
- recognise that shadows are formed when the light from a light source is blocked by an opaque object
- find patterns in the way that the size of shadows change

Pupil Offer / Dates for Your Diary

31.11.22
Halloween Disco

8.11.22 and 10.11.22
Parents Consultations

30.11.22
Trip to Bradford City Library
