

This half term's forest principle: opportunity

10th November 2023  
Autumn Term  
Week 9

## Our adventures at Steeton Primary School this week...

- It has been our busiest week yet, but it has flown by in the blink of an eye. On Monday, we received notification that Ofsted were going to be inspecting school. We have been waiting a while, as our last inspection was in 2018. The leadership team spent a few hours on the phone with the inspector and then on Tuesday and Wednesday, they were in school. We will receive the report over the coming weeks and you will be the first to know the outcome! Needless to say, everything ran smoothly; nothing was out of the ordinary and therefore many of the children will not have even noticed! I could not be more proud to be Head of School at Steeton Primary.
- On Tuesday, several children went to Lund Park for cross country. The weather is getting wetter and colder which makes the terrain super-tricky but well done to everyone. Joseph and Anna won their races, with Florence a close second and Alex was a commendable 4th. We are very proud of you all. It takes a strong spirit and resilience to run cross country - true Forest principles!
- KSI are enjoying their dinosaur themed lessons - apparently there have been dinosaurs spotted in the playground!
- We received the edit of our school video this week. It is so good! I am just getting it set up on the website and will then make sure that you have access to it. So many parents and friends of Steeton sponsored it and we are grateful - we couldn't have done it without you all.
- Forest School Fridays are in full flow each week. If your child has forest school, please make sure that they have appropriate clothes - it can be very cold and often wet.
- We are building up a lot of lost property again. Please write your child's name in every item, especially coats and jumpers so that Miss Kershaw can return them to your children.
- Finally, you may have noticed that Miss Bingham has not been around lately. Unfortunately she is very poorly and has spent the last couple of months in hospital. We hope she will be back with us soon and she sends everyone a big, "Hello!"

REMINDER

Next week are parents' consultation meetings - make sure you have booked your meeting with your child's teacher.
