Autumn Term
Week 6

Our adventures at Steeton Primary School this week...

- Zaynah in Y6 was the star of the show on Monday. Last year, she won a competition run by the NHS and on Monday the CEO of Airedale Hospital came to present her prize along with a photographer...look out in the local press for the article.
- On Tuesday we celebrated mental health day. Children and staff came wearing something yellow, which looked super in assembly! Silver Birch class sang a song in Makaton. We raised money for the charity, 'Young Minds' and their website has useful resources: www.youngminds.org.uk.
- Ash class were the winners of our Times Table Rock Stars inter-school competition this week. There were individual winners from each class too - keep practicing for next half terms contest!
- There has been cross country this week. Wednesday was the league at Cliffe Castle. Lots of children ran which is amazing. Podium finishes from: Joseph, Anna and Florence. On Thursday, it was the Craven finals at Giggleswick. 6 children qualified from South Craven to get there: Joseph, Anna, Hollie, Kara, Alex and Imogen. Podium finishes for: Joseph, Anna and Alex.
- On Tuesday, Mr. Shaw took a team to the first game in the girls' football league. They played 5 and won 4 matches. Well done to: Annie, Leila, Safiya, Mylo, Millie, Joselyn, Hibba, Leyla, Felicity and Haniya.
- If you need to contact school by telephone, you may notice a slight change in the welcome message. Thanks to Kian, Meera and Rishaan who recorded a new greeting this week.
- On Tuesday 21st November, we will be holding our open day for children starting school in September 2024. Families are welcome at 9am and again at 1:30pm. Please spread the word to family and friends. Places can be booked by contacting Miss Kershaw in the office.
- School finishes at 3pm. Please make sure that someone is here to collect your child on time.
