

This half term's forest principle: teamwork

# This week at Steeton Primary School...

- KS2 had a great start to the week when Aesop's Theatre Company visited to perform, 'Timeline.' The play took the children on a chronological adventure from the Stone Age to present day. It was informative and even funny in parts.
- The EYFS team began visits to see our new Reception children for September. We are really looking forward to seeing them soon as they start on their Steeton journey.
- As part of The Great British Bark Off, Digger and Molly - Mrs Bannister's Labradors - were in school. They were very well behaved!
- A visitor came to talk to Y5/6 about tax...it's never too early to learn!
- Y6 children have been to visit their new schools and their new teachers have been in to see them at Steeton - not long left for them now.
- 'Creature Ark' came to visit EYFS and Y1 on Wednesday. The children got to see and handle: corn snakes, a tarantula, giant snails, a tortoise, rabbit, guinea pigs and a hedgehog - a fantastic experience!
- We have new dining tables! They are circular and are a big hit with the children, who like them because they can see all their friends without having to sit a long way away from them.
- The announced strike action days were a surprise - we are still finalising arrangements and will let you know as soon as we can. Strike days are 5th and 7th July.

REMEMINDER

Please do not pull up and stop on the double yellow lines around school at drop off and pick up. It is dangerous.

Steeton Superstars

Oscar O'Neill

Anaya Nawaz

Nathan Nithin

Inayah Khan
