

This half term's forest principle: opportunity

8th December 2023  
Autumn Term  
Week 13

## Our adventures at Steeton Primary School this week...

- This week has been exceptionally busy! We received our official Ofsted report this week - I sent you a link via Ping. I hope you were as pleased to read it as we were. It is on the school website here: <https://rb.gy/95cjhe> and should be on Ofsted's website next week.
- We look forward to sharing our short but wonderful Christmas celebration performances with you on Monday. Please make sure that you arrive to the school hall in time: Reception - 1:00-1:20pm  
Year 1&2 - 1:30-1:50pm  
Year 3&4 - 2:00-2:20pm  
Year 5&6 - 2:30-2:50pm
- Mrs Burgess has been in school this week getting to know Steeton and particularly the children in Fir class. She will be teaching Fir class from January until the end of the year. We are trying not to think about the fact that Miss Akram is leaving us next Friday 😞.
- Several parents have asked to see the resources we use to deliver our PHSRE lessons in school. Whilst this is completely welcomed, there are SO many resources - just too many to be able to email. Parents and carers are welcome into school on 15th January to hear how we deliver statutory requirements and to spend time in classrooms looking at resources. Of course, more information is available on our website.
- Finally, Mrs Webber is quite poorly and is going to be spending some time away from school so that she can concentrate on getting well. We send her all our Steeton love and hope that she is back with us soon. I will send out further information to parents and carers of children in Elder class next week.

REMINDER

Children can wear festive jumpers and accessories next week.

Steeton Superstars

Cody Beard

Abdur Rehman Raj

Musa Khurram

Hana Rafiq

Peyton Spilsbury

Christo Joshy

Daphne Wainwright

Hanifa Begum

Zayyan Mustafa
