

This half term's forest principle: opportunity

24th November 2023
Autumn Term
Week 11

Our adventures at Steeton Primary School this week...

- Monday began with a non-uniform day to celebrate 'Abilities in Me.' We raised money to donate to the charity, and in return, they will be sending us a set of books that explore differences - stories about autism, dyslexia, ADHD etc. - for children to access and learn more about how we are all different yet wonderful!
- Mr. Shaws took teams to Marley on Monday to play football. Year 5 and 6 teams played extremely well, with the Year 6 team placing 3rd - well done. And a special mention to Jamie S in the Year 5 team who was spotted by other schools as being a super goalkeeper.
- On Tuesday, we opened our doors to new families who are looking to join us next September. It was lovely to welcome new faces and everyone had positive things to say about Steeton.
- Seedlings and Saplings have had some fun music lessons this week. They made some great tunes using all kinds of musical instruments. The specialist lessons are running for 6 weeks...maybe we will have an orchestra at the end of it all!
- Year 3 and 4 have been on trips to Nell Bank in Ilkley this week. It links closely with their curriculum learning, they enjoyed cave painting, fire lighting and den building.
- Year 1 and 2 enjoyed a fun day learning about dinosaurs today. They had an archaeological experience and got to meet some animatronic baby dinosaurs. A roar-some experience.

REMINDER

On Sunday, it is the Steeton Christmas lights switch on. We are running a chocolate tombola stall from 3pm to raise funds for school and the choir are singing at 4pm. See you there!

Steeton Superstars

Aishah Hussain

William Langdale

Salahuddin Ali

Eva Reeve

Phoebe Gray

Quinine Chen

Trishikha Karthik

Zain Mallick

Hasnain Abrar

Aroush Imtiaz

Leyla Karim
