

This half term's forest principle: resilience

5th January 2024
Autumn Term
Week 14

Our adventures at Steeton Primary School this week...

- Happy New Year wishes from us all at school - I hope that everyone had an enjoyable break despite the terrible weather. It is always good to return to school after a holiday and get back into the swing of things.
- The week has been a short one - gone in the blink of an eye! In assembly on Tuesday we talked about 'resilience' - our new forest principle for this half term. It's a really important one for us, with a focus on never giving up, approaching new and tricky things with confidence and being able to recover from difficulties. These are vital skills - not just for school but for life as a grown up too!
- We have been working hard on lining up and moving through school positively this week. Everyone enjoys playtime and lunchtime - but when the bell rings, it is time to move back to classrooms calmly. So far, so good!
- It is science week this week which is always fun. There is lots of measuring and observing going on. Year 1/2 have been learning about seeds, Year 3/4: plants and Year 5/6: evolution.
- As you know, Miss Akram left Steeton at the end of last term. We welcomed Mrs. Burgess to Steeton this week - she is Fir's new class teacher.
- Mr. Oakes is currently teaching Elder class, as Mrs Webber is still unwell.
- If you or anyone you know is looking for a meeting space, you might want to consider The Woodlands, our self-contained conference style room. See the website for details <https://steeton.bradford.sch.uk/the-woodlands/>

REMINDER

Please label all your child's clothing - including hats, coats and scarves

Steeton Superstars

Minahil Qadeer

Aniyah Tahir
Nuh Raj

Elliot Robson

George Hawker Johnan Shaan

Emilia Quattrocchi Christina Joshy
