

This half term's forest principle: opportunity

15th December 2023
Autumn Term
Week 14

Our adventures at Steeton Primary School this week...

- School has felt very exciting this week as we approach the end of the term. And what a term it has been! We appreciate all the support that parents and carers give to school in lots of different ways.
- Christmas performances got us into the festive spirit on Monday - thank you to everyone who came to support; it means the world to the children. The bake sale was a success and we raised £200 for forest school resources - Mrs Kennedy was stoked!
- On Tuesday we went over to St Stephen's church. Sally - the vicar - told the Christmas story and the children had the opportunity to place the Christmas characters in the nativity scene. It was a lovely afternoon singing some Christmas songs and admiring the lovely Christmas tree in church.
- Mrs Wareing has been busy with the school choir this week. They went to Raikes Care Home in Silsden and Steeton Care Home to sing for the residents. They were absolutely wonderful!
- The whole school sat down to Christmas dinner on Wednesday with all the trimmings. Children had made party hats and everyone had a lovely time. The sprouts were particularly delicious!
- The girls' football team were in action on Monday at Sandylands. They had some tough competition, with teams a little more physical than they have been used to! We placed a respectable 3rd - well done to all who took part.
- Today we gathered around the Christmas tree in the hall to sing Christmas songs. It is always a great time - I am sure the children will tell you about the 12 Days of Christmas staff rendition!
- Well done to our bauble competition winners: Rishaan, Bella and Aisha A. You all win a Christmas tree from Hawcliffe Farm - you can claim this year or next year. Thanks to Hawcliffe Farm.
- Today is tinged with sadness as we say goodbye to Miss Akram. Miss Akram has been with us at Steeton since she came as a student teacher in 2017 - and we held onto her firmly since! She has taught in pretty much every classroom over the years and takes a wealth of experience with her onto her next adventure. We will miss her wonderful assemblies, but mostly her infectious happiness which permeates across school. Good luck, Miss Akram!

REMINDER

Have a very happy holiday, a very merry Christmas and we will see you on Tuesday 2nd January from 8:30am

Steeton Superstars

Zakaria Khan

Jacob Poland

Ahmad Husayn

Saara Iqbal

Summer Fenton
