

This half term's forest principle: resilience

26th January 2024
Autumn Term
Week 17

Our adventures at Steeton Primary School this week...

- In assembly this week, Mrs Birtwistle talked about British Values - specifically mutual respect, valuing everyone and how this links to our forest principles.
- Mr. Daft and Miss Lafbery have spent some time at Bolton Abbey this week planning some amazing fieldwork trips for the whole school which is very exciting.
- The children have enjoyed their SCARF workshops this week, focusing on healthy lifestyles. Harold the giraffe made some surprise appearances!
- Miss Buckley took some children to South Craven on Thursday after school. They all had a wonderful time with the performing arts department. The teacher from South Craven emailed to say, "I just wanted to email to say what a credit your students were to your school, my team were so complimentary about how fab all the students were in the workshops and it was lovely seeing how much they enjoyed performing on the Fells stage." How lovely to receive such feedback!
- Mrs Foulds took her netball team to Holy Family on Wednesday after school. They smashed both their matches, beating Silsden 4-0 and Long Lee 7-0! Well done to the team.
- Please ensure that you have responded to the ping about Steeton and Sandy Lane becoming a federation.
- We have an official new Facebook page! Search 'Steeton Primary School' or follow the link: <https://www.facebook.com/profile.php?id=61555754640435>. Please like and share our page.

REMINDER

Children do not need to bring toys into school. They get lost, broken or cause fallouts!

Steeton Superstars
