

This half term's forest principle: self-awareness

12th April 2024
Summer Term
Week 24

Our adventures at Steeton Primary School this week...

Welcome back to the summer term - yes that's right - the SUMMER term. We haven't seen many signs of summer so far but I am sure it will be along in its own good time.

- On Monday, we celebrated 'The Big Plastic Count' results from before the holidays. Thank you to all families who took part raising awareness of this global problem. Seedlings were the winners of the school prize, winning a selection of environmental-based books for their classroom.
- Our Forest principle for this half term is: self-awareness. This super power means that you are aware of your own feelings and emotions, what motivates you and what your own desires are. This is not always as straightforward as it sounds!
- The children launched straight into science week, with lots of work going on around properties and changes of material in Y5/6, states of matter in Y3/4 and plants in KS1.
- As you know, Mrs Birtwistle is on maternity leave following the birth of her baby in March. To support school during this time, Miss Buckley and Miss Lafbery are taking on many of Mrs Birtwistle's deputy head responsibilities. Miss Shackleton will be teaching Ash class and Mrs Shaw will be teaching Rowan class during these times. We extend a big Steeton welcome to them.
- If your child borrowed a book from our book houses before the holidays, please can you encourage them to return it so that others can enjoy it too.
- There has been a very excited atmosphere in school this week as we approached Eid on Wednesday. We hope that all our families celebrating enjoyed a special time together. Today has been our Eid parties with lots of games and a crazy disco! Children looked absolutely splendid in their outfits and we all enjoyed food together. Many thanks to everyone who sent in a contribution.

REMINDER

Your child needs to wear suitable footwear every day that they can run around in. Please no heels or Ugg style boots. Plain black trainers are a good choice. Jewellery is not allowed in school and should be kept safe at home.

£870

raised so far - thank you so much!

We are raising money to improve our play spaces outside. We love to play using our imagination and so we don't need things like balls or beanbags - these get easily lost or thrown onto the road.

We are trying to raise enough money to make the surfaces of our playground - the walls and floors - stimulating and more exciting, and maybe add more features like the pirate ship which everyone can play with.

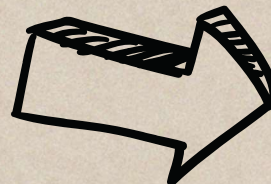

Unfortunately, these are really expensive and even though our aim of £5,000 seems like a lot of money, it actually won't go that far towards what we want.

Huge thanks to our parent governor, Drew Millward, who has produced the amazing artwork for our campaign!
