Spring Term
Week 23

Our adventures at Steeton Primary School this week...

It has been another wet and miserable week outside but as usual we have not let that stop us.

- In assembly on Monday, Miss Bibi introduced, 'The Big Plastic Count' which has been taking place all week. Your child should have brought home a tally sheet, enabling them to record how much plastic you use at home as a family. This information will then be used to help the government take action on the amount of unrecycled plastic polluting our planet. Thank you for taking part.
- The Royal Navy came in to talk to Y6 on Monday. They made rockets and launched them in the playground. A lot of fun and advice for a potential future career.

It has been such an amazing week for sporting achievements:

- On Tuesday, children travelled with Mr. Shaw to Giggleswick to take part in the North Yorkshire finals for cross country. Joseph and Anna smashed it in their races, winning gold medals. Alex was a very commendable 4th in a very close Y4 race.
- On Wednesday, Mrs Foulds took the netball team to The Holy Family school for the 7th and final round of the Keighley tournament. The team played superbly and came away with gold medals for winning the entire tournament. Huge congratulations to the team - the hard work has been worth it. It was noted that, whilst we are the very best players, our team kit leaves a little to be desired! If you know of any local business willing to sponsor us and enable us to purchase a smart new kit to match our sporting prowess, then please get in touch.
- Mr. Shaw was thrilled with the boys' football team on Thursday in a series of friendly matches - he said it's the best he's seen them play - well done, team!
- Year 6 had their trip to Bolton Abbey on Thursday. The weather was not the greatest, but they had a thoroughly enjoyable time.
- Today is Red Nose Day for Comic Relief. It has been lovely to see children in their red outfits and accessories. [Click here to donate to Comic Relief](#)
- Mrs Waring has been really impressed in her music lessons this week - children have been playing glockenspiels, boomwackers and the guitar; with beautiful singing too!

REMINDER

Over the weekend, have a search for any books that are hiding at home. Bring them back to class!

Monday 18th March

Books and Biscuits with a special visitor ...

We are very excited to be hosting an afternoon dedicated to our Reading for Pleasure scheme. We would like to invite parents and guardians in to school to celebrate the scheme.

Classrooms will be open for you to see their class teacher model how to read a text aloud, share a book in the company of their child and enjoy a light refreshment.

To add further excitement, we also have a special visitor in school. The author Deane Narayan Lee will be sharing his book 'The Loving Earth' with parents and children. In his assembly he will read the book to the children. After, there will be the chance to have his book signed if pre bought on the link below. He will also bring copies in school to sell on the day. Card and Cash will be accepted.

To find out more information about the author/book and to pre order a copy ready for signing.

Please visit <http://thelovingearth.co.uk/> .

Please see below the timetable of events for this day. We welcome you from the start time for your phase at the main gate.

Phase	Order of events

LET'S GET READY TO RAMBLE!!!

SCAN TO DONATE

SCAN TO DONATE

A 37 MILE WALK, TO RAISE FUNDS FOR STEETON PRIMARY SCHOOL.
7AM, SATURDAY, JULY 6TH, 2024
STARTING AND ENDING AT STEETON PRIMARY SCHOOL

A SPONSORED 37 MILE WALK - STARTING AND FINISHING AT SCHOOL -
THROUGH BEAUTIFUL YORKSHIRE COUNTRYSIDE ON 6TH JULY THIS YEAR.
WE AIM TO INVOLVE AS MANY PEOPLE AS POSSIBLE - FELLOW WALKERS,
SPECTATORS, SUPPORTERS AND DONATORS.

Any support for this is greatly appreciated.

We are raising money to improve our play spaces outside. We love to play using our imagination and so we don't need things like balls or beanbags - these get easily lost or thrown onto the road.

We are trying to raise enough money to make the surfaces of our playground - the walls and floors - stimulating and more exciting, and maybe add more features like the pirate ship which everyone can play with.

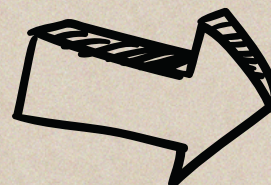

Unfortunately, these are really expensive and even though our aim of £5,000 seems like a lot of money, it actually won't go that far towards what we want.

Huge thanks to our parent governor, Drew Millward, who has produced the amazing artwork for our campaign!
