1. Aims

Our school aims to meet its obligations under the Public Sector Equality Duty (PSED) by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

Our school aims to promote respect for difference and diversity in accordance with our values, such as our FOREST principles.

2. Legislation and guidance

This document meets the requirements under the following legislation:

The Equality Act 2010, which introduced the Public Sector Equality Duty and protects people from discrimination

The Equality Act 2010 (Specific Duties) Regulations 2011, which require schools to publish information to demonstrate how they are complying with the Public Sector Equality Duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: The Equality Act 2010 and schools.

3. Roles and responsibilities

The governing board will:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents
- Ensure that the published equality information is updated at least every year, and that the objectives are reviewed and updated at least every 4 years
- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the headteacher
- The headteacher will:
 - Promote knowledge and understanding of the equality objectives among staff and pupils
 - Monitor success in achieving the objectives and report back to governors

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

4. Eliminating discrimination

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are regularly reminded of their responsibilities under the Equality Act – for example, during meetings.

New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training in September via Smartlog.

5. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people that are connected to a particular characteristic they have
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)
- In fulfilling this aspect of the duty, the school will:
- Publish attainment data each academic year showing how pupils with different characteristics are performing
- Analyse the data referenced above to determine strengths and areas for improvement, implement actions in response and publish this information
- Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)
- Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils

6. Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, PSHRE but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- Holding assemblies dealing with relevant issues.
- Working with our local community, organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. For example, all pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures
- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

7. Equality considerations in decision-making

The school ensures it has due regard to equality considerations whenever significant decisions are made.

The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

8. Equality objectives

Objective 1

To narrow the attainment gaps between multi-vulnerable and all pupils in all subjects, including phonics at KS1.

Why we have chosen this objective: To ensure that all children achieve the very best outcomes despite any vulnerabilities or protected characteristics.

To achieve this objective we plan to: monitor groups of children through phase leader/class teacher pupil progress meetings, intervening where necessary and possible to ensure children keep up and do not need to catch up.

Objective 2

To raise equality awareness with students and staff, ensuring tolerance and respect towards individuals who identify with any of the protected characteristics.

Why we have chosen this objective: At Steeton, we have a large and diverse school community. Cohesion, kindness and understanding is important to us. We believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here. We are committed to ensuring equality of education and opportunity for all pupils.

To achieve this objective we plan to: teach PHSRE in line with policy, using SCARF resources. Continue to promote through our FOREST principles in assemblies and other shared opportunities. Ensure that all staff set the highest standards and are positive role models for all pupils and visitors to school. Accept no form of inequality, discrimination or harassment.

9. Monitoring arrangements

The governors will update the equality information we publish at least every year.

This document will be reviewed by governors at least every 4 years.

This document will be approved by governors.
