## Our adventures at Steeton Primary School this week...

- We have had an extremely busy week this week!
- We have had several work experience students in and around school. The majority of them attended Steeton Primary and it is always wonderful to see how they have grown and developed over the years since they left.
- It has, of course, been SATS for our Year 6 pupils. Breakfast each morning set them up for the day - who knew so much toast could be consumed in one sitting? We are so proud of the way they have handled the week and now we all look forward to enjoying the final weeks of primary school. Miss Buckley and the team served ice creams on Thursday before ending with a huge game of rounders on the park. It was all very well deserved.
- We introduced grab bags this week as an alternative to a hot school lunch. These have been a real hit, with almost 100 being ordered each day. We have a lovely area in the playground to eat, complete with a picnic bench lovingly made by Mr Shaw. Grab bags will be available until the end of the year.
- Miss Lafbery sent a ping some time ago about celebrating out of school achievements. We have so many children who do so many wonderful things and it can go unnoticed and uncelebrated. If your child does anything that they want us to know about - however big or small - please send a photo by email to [kelly.lafbery@steeton.bradford.sch.uk](mailto:kelly.lafbery@steeton.bradford.sch.uk). All photos will go onto a board in the hall so that everyone can see their achievements.
- Fir class had a great day in forest school today. It was lovely to hear them enjoying themselves and luckily for parents most of the mud has dried up!
- Thank you to all parents who responded to the parents consultation questionnaire. Everyone who responded was overwhelmingly positive about their experiences and felt that it is useful.

REMINDER

Please do not park on the double yellow lines around Market and School Street. It is illegal, dangerous and makes pick up difficult for everyone.

# grab bags

Children can order a packed lunch  
'grab bag' from school to eat  
outside as an alternative to a hot  
school lunch.

The bag includes:  
sandwich of choice  
fruit  
juice box  
biscuit or bun

There is no change to the school  
lunch menu - this is an extra  
addition.

£1,205

raised so far - thank you so much!

We are raising money to improve our play spaces outside.

We love to play using our imagination and so we don't need things like balls or beanbags - these get easily lost or thrown onto the road.

We are trying to raise enough money to make the surfaces of our playground - the walls and floors - stimulating and more exciting, and maybe add more features like the pirate ship which everyone can play with.

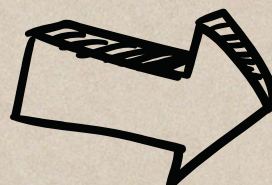

Unfortunately, these are really expensive and even though our aim of £5,000 seems like a lot of money, it actually won't go that far towards what we want.

Huge thanks to our parent governor, Drew Millward, who has produced the amazing artwork for our campaign!
