

Forest Principle: Friendship

6th September 2024

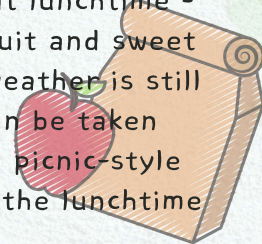

This week's adventures...

Welcome back to the new school year! Although the summer already feels like a distant memory, everyone seems well-rested and full of energy for the new term. Our new Reception children have settled in well - already getting used to the routines and structures of school. Year 6 have been with their Reception buddies at lunchtimes and in the playground - well done to all of Year 6 who have been so kind and patient! Because we spent time on transition before the holidays, children have been straight into curriculum - it is science week this week which has been full of experiments and enquiry.

Lunchtime - Grab Bags

Don't forget that children can order a grab bag at lunchtime - sandwich, drink, fruit and sweet treat. Whilst the weather is still good, grab bags can be taken outside to eat in a picnic-style with Mrs Dale and the lunchtime supervisors.

We have welcomed new staff members Mr. O'Neill, Mrs Elliott and Mrs Wordley to the Steeton team this year

Book Houses

We have 2 book houses in the playgrounds: 1 just inside the main gates and 1 in the bottom playground. Feel free to borrow or swap anything you would like to read at home.

Uniform

We play out a lot! Please write your child's name in EVERY item of uniform - including coats - as it is very difficult to return anything without a name to its owner. Thank you

NEW! Cashpot for Schools

Asda have launched a scheme to donate money to school. Every time you shop, be sure to use the Asda Awards app, select Steeton Primary School and 0.5% of what you spend will be donated to school! This does not cost you anything. The scheme will run until November. Thank you in advance!
