

Forest Principle: Friendship

13th September 2024

This week's adventures...

We have had a super week! Everyone has been busy with phonics, Drawing Club, LBQ and Magic Monday to name but a few. I have been impressed with the enthusiasm of all the children and the effort they are putting into their work across each and every class.

Clubs started this week - Mrs Goodall and Miss Roberts have new clubs - art club were drawing wildlife and cross-stitch club were learning different stitches.

KS1 enjoyed Forest School club and were busy digging, swinging, building and getting very muddy! Chess, netball and fitness clubs were also in full swing.

Year 5 went swimming on Wednesday and all had a splashing good time.

Reading

We are a reading school - we are very proud of our RfP award in July! Remember that your child reads a lot at school and should be encouraged at home. With access to a wide range of books, they can and should be bringing something home to read - either on their own or to share with someone else in the family.

It is important that we have up-to-date information about your child, including any changes to your contact details. If ANYTHING has changed over the summer, or changes in the future, please let the office know.

Steeton Voice Panel

In assembly on Monday, Mrs Kennedy introduced the SVP.1 representative from each class (Y1-Y6) will meet every couple of weeks to feedback on the things in school that are important to children. More to follow next week...

Jewellery

Jewellery is not needed at school. It is distracting and can get lost or damaged. Smart watches have recording and tracking capability and are a safeguarding risk.
