

Forest Principle: Friendship

18th October 2024

This week's adventures...

In assembly on Monday, Mrs Patterson used Mr. Tid to speak about tolerance. At Steeton, we all have many different views and opinions. However, we respect each other and even try to empathise and understand this. She linked it to Black History Month and standing up for what is right, using Nelson Mandela and Rosa Parks as examples.

The weather has not stopped us eating outdoors - we have now got some waterproof, fluffy blankets to continue enjoying the fresh air. Mr. Shaw took a team to Marley on Monday to play in the league. There was some strong play and Mr Shaw is looking forward to the future with the team. Mrs Foulds took a netball team to Holy Family on Wednesday. She was thrilled with their first performances, drawing with Silsden 1-1 and beating Our Lady of Victories 3-0. Well done, team!

Oak, Fir and Holly class went to The Buddhist Centre on Monday - it was our final trip. All the children have really enjoyed the calm peace. We have had lots of visitors this week. Lorraine O'Donnell, who is the CEO of Bradford Council, came on Thursday. She enjoyed a full tour and even got to see Ash class singing campfire songs in forest school!

Keighley Fire Service came into school this week to speak to children about firework safety. Always remind children that sparklers are fun but can be dangerous!

Congratulations to Hamzah Ashfaq who was voted in as our new Parent Board Member. Thank you to everyone who nominated themselves. Unity Federation Board will be recruiting again soon...

Book Look

On Monday, don't forget it is our first book look of the year. You are welcome into school at 2:40pm to look through your child's work with them to see the incredibly hard work that has taken place over the last 7 weeks. Please remember that this is not a parents' evening!

TALKING
Bradford

As many as 1 in 10 children may have speech, communication and language needs. We all do as much as we can to support children and now Bradford have made more resources available.

Steeton Superstars

These children have gone above and beyond this week

Zayden Mustafa

Charlie France

Kyle Dixon

Manahil Adeel

Dawood Shan
