

# Forest Principle: Friendship

4th October 2024

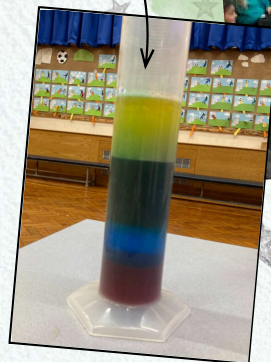

# This week's adventures...

In assembly on Monday, Miss Buckley spoke about the importance of being kind and then made a 'kindness potion' as seen in the photo. Children decided on 4 key kindness ingredients to create a perfect friend rainbow!

Maple, Rowan and Silver Birch went to the Buddhist Centre in Keighley on Monday. It was very relaxing and gave everyone the chance for quiet reflection. On Wednesday, Key Stage 1 went to York to the National Railway Museum. Huge thanks to all parents who supported on the trip - we couldn't go without you.

On Tuesday, a School Improvement Officer came to visit. She thinks that Steeton is, "A little gem," and we couldn't agree more!

The book fair has been a great success - thank you to everyone who has supported by buying a book...or 3.

## Book Houses

We have 2 book houses at school - one by the main gates and one in the bottom playground. You are so welcome to take and share a book or bring a book for others to share - it's great to see the selection changing regularly. All donations welcome!

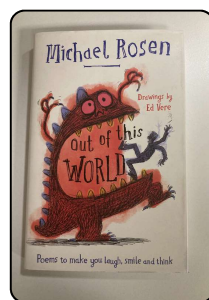

*We will miss you*

Mr. Shaw Senior will be off for a few weeks from Monday. He is having his ankle replaced... it will be quiet without him and we wish him a speedy recovery from his operation

## National Teaching Assistant Day

Rachel - who works closely with us from Just Teachers supply agency - came into school to present our amazing Miss Hawker with some flowers in recognition of all she does for the children. We are so lucky to have fantastic teaching assistants at Steeton - they all deserve flowers!

## A Good Read

We received this amazing new book in the post this week. Harper Collins sent it to us for winning the Reading for Pleasure award last term. We love Michael Rosen and his laugh out loud poems!
