

# Forest Principle: Opportunity

22nd November 2024

## This week's adventures...

In assembly this week, we looked at the story of Malala Yousafzai and how she made the most of the opportunities she was given as a young girl despite experiencing many difficulties in her life. We also celebrated Steeton's fantastic sporting population - a good proportion of children came out to the front of the hall in recognition of their sporting efforts.

Mrs Kennedy held the second SVP(Steeton Voice Panel) meeting of the year this week to discuss the next Big Question.

Our question was:

**What can we do in school to be more sustainable?**

The ideas were:

- More litter picking - perhaps by lunch time helpers
- Bee friendly planting along the fence at the bottom of the MUGA.
- Before a class goes to Forest School, do a 30 minute school tidy.
- Paper recycling.

These have been shared with Miss Redman who thinks they are great ideas. We are going to meet again next week to talk about how we move these forward. These link into our whole school sustainability plan.

On Thursday, Y5&6 had a visit from Paul who runs the highways department at Bradford Council. Children were invited to name the gritter that will serve Steeton and Silsden throughout the winter months. The winner will be announced by The Lord Mayor who will be visiting school next Friday along with Paul and the gritter!

The Steeton Light Switch On is still running on Sunday but will be in St Stephen's Church Hall due to the forecasted windy weather.

We had A LOT of fun this afternoon when the pantomime came to school. Snow White was full of songs and jokes and the whole school enjoyed the performance.

If you or anyone you know is interested in training to teach, get in touch. Check out our website links or contact [itthenquiries@steeton.bradford.sch.uk](mailto:itthenquiries@steeton.bradford.sch.uk)

### Parents' Consultations

Thank you to all parents/carers who attended the meetings this week. It was good to see such a great turnout for our new style of meeting, focusing on FOREST principles.

If you haven't completed the survey, you can still do so here:

### Airedale Hospital Re-Build

We are hosting Airedale Hospital's drop in 'engagement sessions', where you can find out more about the plans for the re-build of the hospital. The next session at school is Thursday 28th November from 12-8pm
