

Forest Principle: Opportunity

6th December 2024

This week's adventures...

Mrs Patterson spoke about individual liberty on Monday in assembly – a focus of British Values. It means that we are free to make our own decisions...providing we follow the rules.

Mr. Shaw took a group of Year 5/6 girls to the second stage of the road to Wembley football competition. They played very well coming 5th out of a possible 8, they worked very hard and should be proud.

Year 1&2 had fun visiting Keighley Market this week. They particularly enjoyed the £5 challenge to see who could find the best purchases. They met some very friendly market workers who gave the children some free goodies too! They have been comparing Keighley Market with those you might see in Nairobi, Kenya. It would be nice to visit a market there too👉.

School has started to feel a little festive this week, the first week of advent. Our beautiful Christmas tree is twinkling and the children have all decorated a bauble. These have been displayed beside the tree. Classes have been busy practising their performances for their families next week. We hope that you can attend them and, whilst only a short snippet, they give your child the opportunity to perform a special piece of Christmas cheer for you.

Well done to the children who attended St Stephen's Church Fayre on Saturday to sing with Mrs Waring. You did school proud!

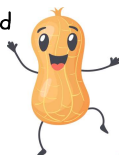

Our 'Holiday Hamper' is bursting with sweet treats. Raffle tickets to win the hamper are available each day in school for 20p per ticket or £1 for a strip of 5. The winner will be drawn during, 'Singing Under the Tree' on the last day of term. Good luck!

Jewellery is not needed in school. It causes distraction and can end up lost, damaged or can cause injury. Stud earrings only are appropriate for school.

Nuts

We have found pistachio and cashew nuts in the dining hall recently. Please remember that we have children in school with nut allergies. We ask that you do not send your child with nut products for their lunch. This includes some chocolate spreads which contain nuts.

School Lottery

You can play the School Lottery, with a draw every Saturday. £1 a ticket, where a percentage of each ticket bought goes straight to school.

**Support Steeton Primary School when you play.
