

Forest Principle: Opportunity

13th December 2024

This week's adventures...

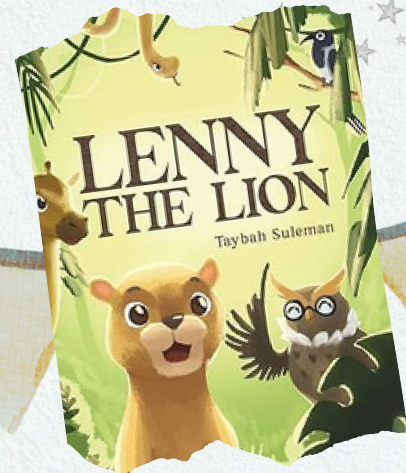

In assembly on Monday, we celebrated the winners of our Christmas bauble decorating competition. Each class had a winner and Conan was crowned the overall best bauble, winning a treat from Hawkcliffe Christmas Tree Farm.

Year 5&6 held a bake sale this week to raise money for fun activities. Thank you to everyone who baked at home or contributed in any way - we can't do it without your support. They were pleased to raise over £150.

Tuesday was Rock Star day. We had a wonderful turnout - so many great outfits and accessories! The whole school was treated to a musical assembly where the teachers managed to play in a rock band. Then, KS1 and KS2 took part in a workshop where they built their own rock band and performed for the school. It was a lot of fun! Children brought a letter home for you explaining how to get involved with Rocksteady at school. If you need any more information, please get in touch with Miss Buckley.

It is always lovely to hear about the success of past pupils. This week, we were gifted a copy of Taybah Suleman's published book - Lenny the Lion. She has written a delightful story about a lion cub and his adventures. We shared the news in assembly and it is fantastic for children to see someone who was 'just like them' have success with writing. Well done, Taybah - we are very proud of you. We have loved sharing our Christmas performances today. All the children love to sing and we hope you enjoyed capturing a little bit of festive fun with us. We are off to St Stephen's Church next week to hear the nativity story and sing some more songs.

Well done to the choir who sang at St Stephen's Christmas Fayre last weekend. We are very much looking forward to the last week of term next week and some Christmas fun including Christmas dinner on Wednesday.

Christmas Jumpers

Remember that next week, children can wear Christmas jumpers and accessories all week if they would like to. Party clothes welcome on Friday.

Christmas Parties

Next Friday will be our class Christmas parties. If you would like to contribute by sending in food for the children to share, it is always appreciated. We love a mix of sweet and savoury (and homemade!) Please - no nuts

Steeton Superstars

These children have gone above and beyond this week

Abdullah Ali

Warwick Thompson

Logan Cann

Muhammad Hassan
