

Forest Principle: Opportunity

29th November 2024

This week's adventures...

In assembly this week, we looked at the story of The Mouse and the Lion - a fable with a moral. It teaches that even a small opportunity to help someone in need should be taken because you never know when you will need it to be repaid! A good message to take away.

Thank you to everyone who came along to support the Steeton Christmas light switch on last Sunday. It was held inside the church hall due to the weather but it was still a great success. Some of our children sang Christmas songs to a huge audience - a daunting task! They all performed wonderfully. Our chocolate tombola stall was a resounding hit and we raised over £250 on the day and hope to raise even more today after school with a tombola with the leftover chocolate.

Today, the Lord Mayor of Bradford - Beverley Mullaney - came to visit school to award the prize for the 'Name the Gritter' competition. Y5 and 6 at Steeton were chosen to name the gritter for Steeton and Silsden. Today the winner was announced as Florence in Silver Birch and the gritter - 'Gritty Gritty Bang Bang' came to school for the children to see. Watch out for Gritty Gritty Bang Bang on the streets over winter!

Willow class enjoyed a chilly Forest School day today having lots of fun with Mrs Kennedy.

Christmas Tree

A huge thank you to Hawkcliffe Christmas Trees who again provided our beautiful Christmas tree this year. We are delighted and it will be decorated over the next few days with children's artwork. Pop down to get your tree this year at Hawkcliffe Farm.
