

Steeton Primary School

LKS2

Autumn 2 Newsletter 2025

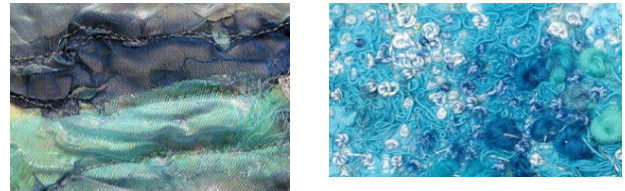

Wonderful Water

Children will be learning many different Physical and Human concepts linked to water. They will be able to use orange survey maps to locate different bodies of water. They will recognise the difference between man made and natural bodies of water. They will learn about the uses of water and the problems they may encounter if there is too much water.

Magic Monday

We will be studying textiles and looking at the work of Carolyn Saxby. We will explore different fabrics to use for our sea scape. Children will have an introduction to sewing and will sew buttons on to their sea scape. Children will explore different hues/shades of blues and purples.

English / Reading

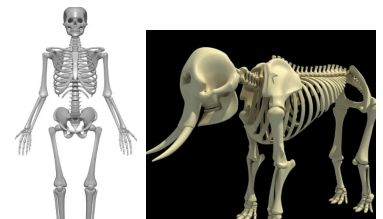

Our Reading for Pleasure sessions continue on a daily basis. Children will be reading a variety of texts from a variety of genres.

In English we are continuing our journey with Writing for Pleasure we will be using a range of stimuli to engage children in their writing.

Science

Pupils should be taught to:

- Identify that animals including humans, need the right types of and amount of nutrition and that they can not make their own food, they get nutrition from what they eat.
- Identify that humans and some other animals have skeletons and muscles for support, protection and movement.
