

Steeton Primary School

LKS2

Spring 2 Newsletter 2025

Glorious Greece

This Geography based topic will allow children to study the physical aspects of locating Greece on a physical and digital map. Furthermore, children will locate and learn about Athens and the Greek coastline. Children will learn the human features of Greek food and Greek religion.

Magic Monday

This half term we will create a replica of Alexandra Manousakis' Greek pottery. Children will design the shape and aesthetics of their vase using inspiration from Greece. Children will use papier mache to create the shape of their vase then use acrylic paint to decorate it.

English / Reading

Our Reading for Pleasure sessions continue on a daily basis. Children will be reading a variety of texts from a variety of genres.

In English we are continuing our journey with Writing for Pleasure. We will finish reading *A Girl who stole an elephant* and will write create a diary entry.

Science

Pupils should be taught to:

- describe the simple functions of the basic parts of the digestive system in humans
 - identify the different types of teeth in humans and their simple functions
- construct and interpret a variety of food chains, identifying producers, predators and prey
