

Steeton Primary School

KS1

Spring 1 Kings and Queens.

Magic Monday

Magic Monday

The children will learn all about the artist Kurt Pio.

They will make geometric designs using straight lines and rulers.

Kings and Queens

Our topic next half term is 'Kings and Queens' and we will be trying to answer the big question 'Why do we have a monarch?'

We will look at our current and past monarchs, their houses and what they actually do.

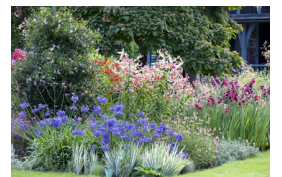

English

We have now started our Curious Quest lessons in Year 1 and the children are very excited to learn more about the mysterious Professor Klunk and his portal.

Year 2s are continuing their Curious Quest lessons and have already overcome some very tricky characters to continue on their mission.

Science

Children will be finding out all about plants and learning the names of some common ones. They will draw and label plant parts and investigate plant seeds.
