

# Steeton Primary School

LKS2  
Spring 1

## **Magic Monday** **Kandinsky's circles.**

We will be recreating his famous piece of art work.

We will be looking at how he created his art work using synaesthesia. We will explore lines through different mediums mainly pencil crayons, wax crayons and watercolours. We will then be taking inspirations for the Romans to create a circular mosaic piece of art work.

## **History and Geography** **Romans**

We will be studying the impact the Romans had on Britain. We will create a timeline of events. We will study the different emperors.

We will study the Roman army. We will observe the legacy of the Romans today.

## **English**

Mrs Foulds and Mrs King have lots of exciting Curious Quest writing planned for Fir class.

In Rowan and Elder we will be creating a diary of a Roman Soldier.

## **Science** **Plants**

Children will have hands on experiences with plants to identify and describe the different functions of different parts of the flowering plants. They will explore the requirements for life and growth and through a practical activity, investigate the way in which water is transported. Furthermore we will study a plants life cycle.

## **Dates For Your Diary**

19.1.26

VR day for Year 3 and Year 4

11.2.26

Valentines disco after school

## **Other information:**
