

Steeton Primary School

KS1

Spring 2 - Living in BD

Magic Monday

Children will look at the artwork of Sam Cannon, who paints nature scenes mixed with poetry. Children will work on mixing primary colours to make secondary colours and looking at warm/cold colour palettes.

Living in BD

Children will be thinking what it's like to live in the Bradford District. They will be looking at maps and aerial photographs and comparing Steeton with Saltaire - this will include a local walk around Steeton and a trip to Saltaire.

English

Children have made a lot of progress with their writing this year and this is evident in their work. They are enjoying their journey through the Curious Quests and show great enthusiasm each week. They continue to work on their spelling and grammar skills through their creative writing.

Science

Children will be looking at plants again - this time with a focus on seeds and germination. They will look at plant life cycles and the needs of a plant. They will be planting seeds and watching them grow.

How a plant grows from a seed

Diary Dates:

11/3 - Maple Class Forest School.

18/3 - Willow Class Forest School

17/3 - KS1 trip to Saltaire.

Other information:
