

Steeton Primary School

LKS2
Spring 2

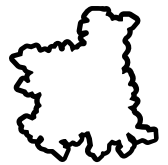

Magic Monday Kitty North

We will study Kitty North and the style of art work she produces. We will be creating a cityscape for our local area. We will look at different types of shading and how this can help us gain perspective. We will paint using a range of different sized paintbrushes.

History and Geography Living in BD

We complete a case study for our local area. We will locate our local area using directional language. We will spot famous landmarks in the local area. We will study the people in the local area and see what life is like.

English

Mrs Foulds and Mrs King have lots of exciting Curious Quest writing planned for Fir class.
In Rowan and Elder we will be focusing on incorporating direct speech into our writing.

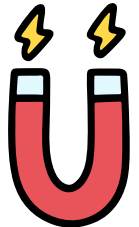

Science

Forces and Magnets

We will compare how things move on different surfaces.

We will notice that some forces need contact between 2 objects.

We will observe how magnets attract or repel each other and attract some materials and not others

Dates For Your Diary

5.3.26
World Book Day
6.3.26
Elder Forest School
13.3.26
Rowan Forest School
20.3.26
Fir Forest School
