

# Steeton Primary School

UKS2

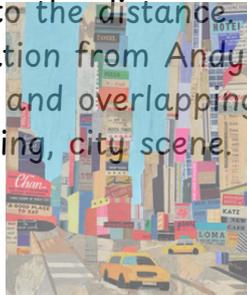

Spring 2 Living in BD

## Magic Monday - Collage Cityscapes

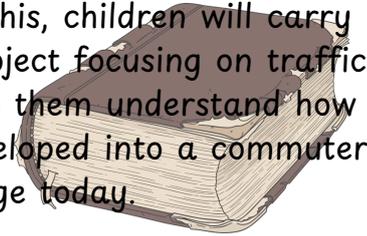

In Magic Monday, children will explore collage techniques to create a cityscape using a range of different materials. They will learn how to tear, layer and arrange materials to add texture and detail. The focus will be on perspective, helping children understand how buildings appear smaller as they move into the distance.

Children will take inspiration from Andy Burgess, using bold shapes and overlapping forms to create an exciting, city scene.

## Living in BD

upils will be exploring the history of Steeton Primary School and how it has changed over time. They will take part in a walk around the village to spot historical features and compare the past with the present, as well as studying fascinating artefacts such as old headteacher diaries and punishment books. Alongside this, children will carry out a fieldwork project focusing on traffic in Steeton, helping them understand how the village has developed into a commuter village today.

## English

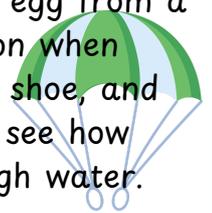

Year 6 will be building confidence with reading and grammar through SATs-style questions to help them feel prepared and ready for May. We will also be studying 'A Boy at the Back of the Class' ahead of our visit to the Alhambra in the Summer Term to watch the theatre production (more info on this soon). Children will also write a letter of persuasion.

## Science - Forces

Children will investigate gravity in a vacuum, inspired by Brian Cox, and use a force meter to measure different forces.

Hands-on activities include designing aerodynamic paper aeroplanes, creating a parachute to safely land an egg from a window, considering friction when designing the best sole for a shoe, and carrying out a fair test to see how quickly objects travel through water.

## Dates For Your Diary:

- 25.2.26 Ash class forest school
- 27.2.26 Holly class forest school
- 4.3.26 Silver Birch forest school
- 5.3.26 World Book Day
- 26.3.26 Rocksteady concert
- 27.3.26 Make the rules day!

## Other information:

- We are collecting wool, magazines and newspapers for magic Monday.
- PE dates are the same as last term. Silver Birch on Thursdays and Ash and Holly on Wednesdays. Please wear full PE kit and trainers.
- Please check LBQ for homework set by teachers.
- Year 6 - Don't forget to order your leavers' Hoodie See Ping.
