

Steeton Primary School

EYFS

Summer 1 - Our Wonderful World

Phonics

In Phonics, children will continue to develop their reading and writing.

Child will be either consolidating their set 1 sounds, or learning new set 2 sounds.

There will also be a big emphasis on sound blending and decoding more complicated words.

Our Wonderful World

In this topic we will be developing our understanding of climates in different parts of the world. We will compare our own climate to those of cold place such as the North/South pole and hot places such as Africa.

Drawing Club

In drawing club we will be further developing our mark making and writing skills. There will be a big focus on writing simple sentences independantly. We will focus our lessons on books that link to our topic.

Maths

In Maths, we will be learning to count to 20 and beyond. We will begin to write simple number sentences and learn some number bonds to 10.

Dates for the diary
