

Steeton Primary School

KS1

Summer 1 - Sustainability

Magic Monday

We will be moving from Art to DT next half term. We will be designing and making 'sensational salads' Working on our skills of cutting and combining different fruits and vegetables. Children will make a salad face and fruit kebab.

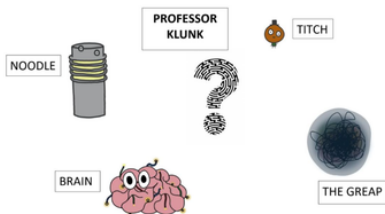

Sustainability

Children will be trying to answer the question 'Where does our rubbish go?' They will find out about the negative aspects of disposing of our rubbish irresponsibly, and will learn about how to have a positive impact with the three Rs (reduce, reuse, recycle)

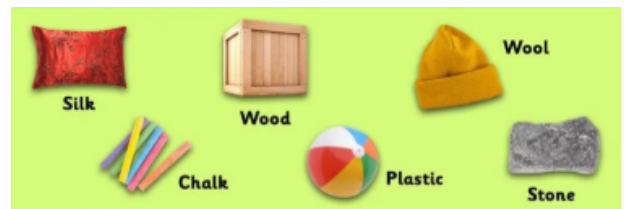

English

Willow and Maple class continue to make great steps on their curious quest with the faithful friends. Each week Professor Klunk sends them a new book to read and a quest code grammar focus for them to focus on.

Science

Children will learn all about everyday materials and their properties. They will need to know what objects are made from and be able to group them based on the material they are made from and their properties.

Other information:

Please remember to send book bags and waterbottles every day. Children must not bring toys/pens/football cards etc to school

The national phonic screening check for children in Year 1 will take place in June, please practise sounds regularly with your child.
