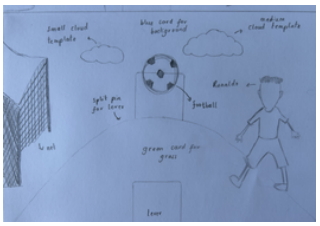
Steeton Primary School

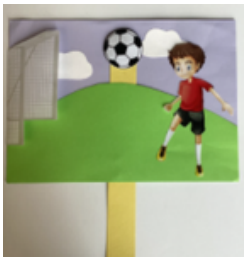
KS1

Summer 2 - The World Cup.

Magic Monday

We will be continuing with DT next half term. We will be designing and making football lever cards. We will work on the skills of measuring, marking out, cutting and combining different materials and exploring and using mechanisms.





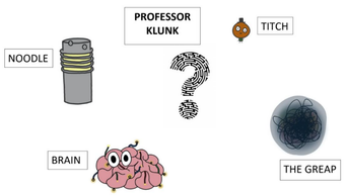
The World Cup

Children will be trying to answer the question "What do you know about The World Cup?"

They will learn about the location of the competition, it's history, the venues, players and kits, and the rules of the game. We will be following the results as they happen and will have our own football tournament too.

English

Maple and Willow class are now nearing the end of their Curious Quest for this year. Willow class will soon be arriving at the Bridge of Doom and Maple class at the Bridge of Anubix. What awaits them on the other side...?



Science

Children will be carrying on with their learning about materials, but focussing on the suitability of materials for their purpose and how materials can be changed by twisting, bending, stretching and squashing.

Other information:
Please remember to send book bags and waterbottles every day. Children must not bring toys/pens/football cards etc to school

The national phonic screening check for children in Year 1 will take place in the first week back after the holidays, please practise all the sounds with your child.

Our school trip to Valley Parade and Goals in Bradford is on Wednesday the 8th July.
