

# Steeton Primary School

LKS2  
Summer 2

## Magic Monday Create a tambourine

We will research the different types and purposes of tambourines. Then we will design, make and evaluate a tambourine for a specific audience and purpose. We will be testing the products that we have made by playing a nursery rhyme to children in EYFS.

## History and Geography Music

We will be studying the differences between old music and contemporary music. We will be studying the different genres of Music. We will complete a deep dive into British Music looking at artists such as the Beatles.

## English

Mrs Foulds and Mrs King have lots of exciting Curious Quest writing planned for Fir class. In Rowan and Elder we will be using the stimulus of Jungle beat to improve our work using inverted commas.

## Science Sound

Identify how sounds are made, associating some of them with something vibrating, recognise that vibrations from sounds travel through a medium to the ear, find patterns between the pitch of a sound and features of the object that produced it, find patterns between the volume of a sound and the strength of the vibrations that produced it and recognise that sounds get fainter as the distance from the sound source increases.

## Dates For Your Diary

9.6.26

Multiplication checks for Year 4 pupils only

9.7.26

Kirsty Brannan, a musician playing to LKS2

## Other information:

Elder and Rowan children need to come in their PE kits on Tuesdays

Fir need come in PE kits on Thursdays
